2020 OMC JURY GUIDEBOOK V6

Dear OMC Official Jurors,

This Jury Guidebook has been created to assist OMC's jurors in maintaining the highest standard when judging OMC international competitions worldwide.

For fair judging results, OMC has set up a new jury grouping system. Only country jurors whose record is excellent with no red card in the previous championship will be selected to judge in OMC World Championships. OMC will determine which tests they will be judging.

A Jury Briefing takes place the day before each World Championship. OMC will inform the jurors in advance of the date, place and time.

Jury members can represent the country they live in, but judge only in the section for which they have taken their juror examination (Ladies, Gents, Aesthetics or Nails Section).

All OMC jurors and trainers can be elected by OMC to present demonstrations for country organizations within the OMC Look & Learn educational program.

OMC asks all official jurors to carefully read this Jury Guidebook.

Sincerely,

OMC Board and Competition Directors

OMC Scoring System Example

Jurors' country scores, as well as red cards, are removed and replaced by the average of all other jurors, basing on the first rectification of the juror concerned.

Scores given by jurors

28 – 26 – 30 – 27 – 28 – 25 – 25

First rectification

Scores given by jurors to competitors of their own country are omitted (27 in this case)

Calculation of first average omitting score 27

$28 + 26 + 30 + 28 + 25 + 25 = 162: 6 = 27$

New average based on the remaining jurors' scores:

$27 + 27 + 27 + 27 + 27 + 27 + 27 = 189$

Second rectification

Based on the competitor ranking calculated on first rectification scores, red cards are calculated. Scores given by jurors with red card are omitted (30 in this example)

Calculation of average omitting score 27 (national juror) and score with red card 30 (red card).

$28 + 26 + 28 + 25 + 25 = 132: 5 = 26.4$

Final score: $26.4 \times 7 = \mathbf{184.8}$

Calculation according to OMC Jury Guidebook

Lenience Committee

A Lenience Committee will analyze the scores given by jurors who received 2 or more red cards. The OMC Lenience Committee can remove red cards accordingly to their final objective analysis.

Selection of the winning hairstyles (10 or more competitors)

To ensure fairness in all OMC competitions, jurors must be clear, unbiased, systematic and efficient. In order to accomplish these tasks in a relatively short time, below are the recommended judging guidelines and criteria.

The OMC scoring system allows to focus **only** on the top scores indicated in the boxes. Follow the steps below.

1. First walk-through: The jurors look at the general work of all competitors without assessing any scores, but taking notes with the plus + and minus – signs.
2. Second walk-through: Start selecting the top 3 winners, following with the 4th and 5th place.
3. Select the top 3 scores: The scores 30, 29, 28 must be given only 1 time.
4. Score 27: The score 27 can be given a maximum of 2 times (check the score chart).
5. Score 26: The score 26 can be given a maximum of 7 times (check the score chart).
6. Score 25: The score 25 not being included in the box, it is no longer needed to be assessed. All competitors automatically receive the score 25.

By following the above steps, you have completed your professional task and may qualify to be awarded the OMC's Best Juror Award if you have reached 114 points in 1 test.

A juror who receives a red card in a championship does not qualify for receiving the Best Juror Award in that championship, even if he/she has reached the 114 points.

- b. Jurors are not allowed to leave the Jury Room while waiting to judge, except for going to the restroom.
- c. Once a juror has turned in his scorecard, he must leave the Championship Arena and directly go back to the Jury Room if he/she is selected to judge other tests.

The official notification concerning the red cards will be sent to the jurors' organizations and to the jurors concerned.

Equal Results

Individual tests

1. The President of the Jury is appointed by OMC according to best judging record.
2. In case of equal scores, the scores of the Jury President determine the first place in each test (Ladies and Gents).
3. In case the tie is not broken, the computer will continue using the sequence of the jury list down to the last juror.

General Classification in combination or team competitions

If two teams have equal scores, ties will be broken by comparing the scores of the competitors of each team, combination or individual, starting from top downward. The advantage will be given to the competitors/teams that have the higher scores in the following tests:

1. Ladies' Technical "Hair by Night"
2. Ladies' Fashion "Evening Style" MH
3. Ladies' Progressive "Avant Garde MH
4. Ladies Prestige "Prestige Bridal"
5. Ladies Trend "Fashion Pro"
6. Gents Trend "Commercial Cut"
7. Gents Technical "Classic Cut"
8. Gents Fashion Pro "Fashion Pro"
9. Gents Barber "Classic Fade"
10. Junior's team tests - the same principle as for the Senior Ladies and Gents will apply.

Best Juror Award - only for jurors who are judging the seniors tests.

The Best Juror Award will be presented every year to the jurors who have obtained the highest points in a test.

The number of competitors must be 10 or more in a test. A juror receiving a red card does not qualify for the Best Juror Award.
