MEET THE SYMPOSIUM MANAGEMENT TEAM

**Dear Presidents, Jurors, Trainers, Competitors,
and Esteemed Guests of OMC Member Organizations,**

We are privileged to invite you to the 2025 OMC Global Jury Symposium in Milan. This prestigious event is a one-of-a-kind opportunity to connect with the finest global talent in the hair and beauty industry, exchange innovative ideas, and learn from the industry's most esteemed professionals.

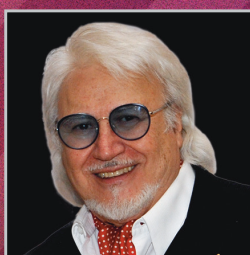

We are delighted to announce that all official jurors from OMC member countries taking the jury exam during the OMC Jury Seminar in Milan will receive the Jury Certification Diploma and get priority to judge for the OMC World Cup, September 14–15, 2025, in Paris.

During the symposium, OMC's leading international educators in Ladies, Gents, Aesthetics, and Nails will present the latest inspirations and trends for both individual and combination test categories at the OMC World Cup 2025. Gain exclusive insights and enhance your expertise to excel in the 2025 OMC World Championship.

As a token of our appreciation, all participants will receive a prestigious Diploma of the OMC Global Symposium 2025 to proudly showcase in their salons, along with a special souvenir cutting cape.

Don't miss this exceptional opportunity to refine your skills, forge valuable connections, and celebrate the artistry of hair and beauty with your peers. We look forward to welcoming you to Milan for an unforgettable experience.
